LINDA VAUGHAN GETS AN EARLY JUMP ON SUCCESS

Linda began her real estate career at Kroh Brothers Realtors in 1976. Her ascent into management was swift; just two years later she was named assistant manager. In another two years, Linda was promoted to broker/sales manager. In 2002, she was named executive vice president of Reece & Nichols.

Now, as president of Reece & Nichols, she oversees the brokerage side of the company using the company's core values as a guidepost. Her experience, talent and enthusiasm are unquestioned, and she is committed to the Reece & Nichols mission.

Linda believes it is the company's responsibility to live up to "Where **SOLD** Means More," providing sales associates an unsurpassed platform for success while providing customers the excellence in service they both expect and deserve.

Some of Linda's most noteworthy contributions to the local real estate community have been serving as director of the Johnson County Board of Realtors, and as president of the Johnson County Board MLS.

Away from the office, Linda and her husband, Brad, enjoy spending time with family and friends.
